

ELRETUR

CERTIFICATE FOR PRODUCER RESPONSIBILITY

issued for

Caltech

Registered categories:

1. Temperature exchange equipment

This certificate confirms that the responsibility of the company regarding collection and treatment of waste of electrical and electronic equipment and/or batteries from the above categories is assumed by Elretur in compliance with Danish legislation. In Elretur's assumption of the producer responsibility we work to ensure efficient and legitimate waste streams and quality in data and registrations for the authorities. As a member of Elretur the company takes responsibility for ensuring more and better reuse and recycling of electric and electronic waste.

The company has reported all required information about the volumes of products placed on the market in 2021 and/or volumes expected to be placed on the market in 2022.

On the basis of this information, Elretur has registered the company with Dansk Producentansvarssystem (Danish Producer Responsibility System) up to 31 March 2023.
